True devotion to mary by st. louis de montfort

The true devotion to the Virgin This is the book for which St. Louis Marie de Montfort is probably best known. It should be read in the context of the Love of Eternal Wisdom, where it makes clear that a "dedicated devotion to the Virgin" is only a means (although the most effective means) to acquire and preserve Divine Wisdom. In the true devotion, St. Louis Mary exposes her teaching on devotion to Mary in general, and proposes a particular form of devotion, involving a total dedication or consecration of oneself to Jesus through the hands of Mary. The first part of the book is dedicated to showing that devotion to Mary is not an end in itself. It is always a means to become more dedicated to the service of Jesus Christ. It is, however, a necessary means for this, and it is actually the safest way to achieve this. He examines the qualities of what he calls true (or authentic) devotion to Mary, contrary to false devotion. And he makes it clear that there can be many different types of true devotion for her. Yet he affirms, based on his experience and on his reading, that he has found a form of devotion to Mary who reaches his purpose (to approach Jesus Christ) more effectively than any other. The form of devotion to Mary to which she refers (and which he sincerely proposes to her readers) consists of a total dedication of themselves to Jesus Christ through the hands of Mary. This total dedication calls consecration, and is attentive to explain that, even if we can speak of "consecration to Mary", this must always be understood as only a step on the road to "consecration to Jesus Christ". The rest of the book is taken with an explanation of what this total dedication means in practice, and with descriptions of its effects in a person who undertakes it, intended to encourage us to embrace it. It also examines various devotional practices intended to help us live it, external practices that internal, like himthem. Among the external practices, he speaks of the recitation of the Rosary, a subject which he treats most fully in the Admirable Secret of the Rosary. This form of devotion to Mary was known on the day of St. Louis Mary (and before) as "Holy slavery", and spends some time explaining the meaning of this phrase, insisting that, far from being a slavery of constraining, it must be a "slavery of love". Other phrases, more in tune with our modern way of thinking, could easily be used instead of this. Another of the works of St. Louis Mary, The Secret of Mary, is a shorter presentation of the same subject that is found in the True Devotion. [pdf] Considered by many as the greatest book of Marian spirituality ever written, the true devotion to Mary, is the classic statement of St. Louis of Montfort on the spiritual path of Jesus Christ even if the Blessed Virgin Mary. In this beautiful and sublime book of inspiration, de Montfort explains the wonderful spiritual effects that the true devotion to Mary brings into the life of a person. There is no better way to advance rapidly into holiness, there is no better way to please God, and there is no better way to guarantee current holiness and eternal salvation than true devotion to Mary. Hardback; 176 pages. View AllClose 5 Posted by Roel on 28 Aug 2019 I just got this book and its very enlightening. I am happy to know the Blessed Mother and to consecrate myself to her. I'm happy with the purchase! 5 Posted by Leticia on 1 Jun 2019 The book is very well done and arrived before I expected. Along with it came a small prayer booklet in honor of the Virgin and two booklets containing more information about the shop that sells. The store and its staff are such a blessing! Thank you! View AllClose Top reviews Latest Top reviews Considered by many as the greatest book of spiritualitynever written, true devotion to Mary is the classic declaration of St. Louis of Montfort on the spiritual path of Jesus Christ ChristThe blessed virgin maria. loved by countless souls, this book sums up the whole Christian life, showing a short, easy, safe and perfect way of life chosen by the Lord himself. in this beautiful and sublime book inspiration, de montfort explains the wonderful spiritual effects that the true devotion to mary brings in the life of a person.
